Community Based Organization

P R O F I L E

About us

We are a community based organization focused on empowering women and Youth through access to information, Education and business opportunities. We educate our community on importance of mental wellness, menstrual hygiene business opportunities and a clean environment as the key to a progressive community. We advocate for tax cut policies that affect women sanitary health and access to favourable loans to empower the youth to have small startups in our community.

Our work is threefold

We support our less fortunate community members through different initiatives and donations to make their livelihood better.

Vision

A just and sustainable community with equality and opportunity for all.

Mission

Promoting community development and wellbeing by connecting people ideas and resources.

OUR WORK

① Supporting women and girls

We provide monthly sanitary products to women and girls from low income families in our community.

② Recycling of plastics

In partnership with coca cola beverage the MEGH GROUP we collect and recycle plastic bottles this also acts as a source of income to the organization.

③ Mentorship

We hold regular mentorship session with our community youth on how to tackle life issues and also on how to handle opportunities when they come.

④ Food Donations

We offer food donations at times to cushion our less fortunate community members.

⑤ Education

Volunteers offer language lessons to our community children and we also provide stationary to school going children (pens/book/bags).

⑥ Environment

Apart from regular clean up in our community we also encourage tree planting and kitchen gardens in our community and also school.
